Inspr Secretary's remarks:-

Fees are being collected from the year 1902-03 on cattle brought for sale at the car festival Jatra of the Sri Venkataramaswami temple at Hemagiri in the Krishnarajpet Taluk. The levy appears to have been made with the consent of the cattle owners under the authority of the Sub-Division Officer with the view of obtaining funds for the improvements required to the temple. In 1905 the Deputy Commissioner solicited the sanction of Government to levy the fees permanently and he was requested to report on what lands the cattle were being picketed. His reply not having been received till now in this office, the sanction of Government has not been given till now, but the collections are being regularly made and credited to the temple. But I find that the information called for from this office has been furnished by the Deputy Commissioner in his letter No.109 dated 17th August 1907, to the General and Revenue Secretariat in reply to a reference made to that effect from that Department, stating that the Jatra is held on Government and temple lands. There is therefore nothing now to prevent

A

prevent the issue of orders authorising the levy of fees which as a matter of fact is being willingly paid for several years past for the benefit of the temple.

Referring to certain remarks made by the General Department Officials in the Office Note above expressing a doubt as to whether the fees in question should be credited to the temple funds or to District Funds, I beg very respectfully to say that there is no question that they should be credited to the temple funds. The object of the levy is to effect improvements to the temple and it is with that object that the cattle owners willingly make the payment. The same view of the case was expressed in regard to the levy of fees connected with the Chunchankatte Sri Ramadevaru temple and the Dewan's remarks thereon contained in the submission Note to His Highness agreeing with this view, were approved by His Highness.

Vide Flags T & Z in General Dept File (HS 254-05)

What I therefore beg respectfully to recommend is that the collection of fees on cattle brought forsale during the Jatra should be credited to the temple for purposes of effecting improvements such as the repairs to the temple, the construction of a rest house (for which an estimate for Rs.1860 has already been received) and so on. With the view of the encouragement to be given to cattle owners, a certain amount may be contributed from such income to the District Funds for awarding

B

awarding prizes &c. This arrangement has been already sanctioned by Government in the case of Chunchankatte and Ghate Subrahmanya and may be sanctioned in the case of the Heragiri temple also.

A draft is submitted for approval.

Sd/. T. Ananthasami Rao
16-11-1907

The circumstances of this case are similar to those of Chunchankatte Sri Ramadevaru Temple. The proceeds of the cattle fair held in connection with the car festival at Heragiri were intended for the benefits of the temple and have been regularly credited to the temple funds.

As the question of dividing the receipts has been raised in the Local Boards Branch the file may be resubmitted to the 1st Councillor for favor of his acquiescence in the orders proposed to be issued in the Muzrai Department.

I agree and have initialled the draft with a slight alteration to make it agree with the Muzrai Secy's note.

Dated Mysore Camp 23rd December 1907.

To

L. Anantasami Rao Esq.,
SECRETARY TO THE GOVERNMENT
OF HIS HIGHNESS THE MAHARAJA OF MYSORE,
~~GENERAL AND REVENUE~~ Muzrai DEPARTMENTS.

SIR,

In reply to your docket No 2778 dated the 1st February 1905 calling for further information in re the lands on which the cattle are pickelled and the shops held during the jatra of Sri Venkata Venkataramana Swami at Hemagiri in the Krishnarajpet Taluk and subsequent official memorandum No. 3029 dated 18th January 1906 forwarding for opinion the petition of Garlapuri Shetty and another praying that the collection of taxes on cattle &c in the Hemagiri jatra may be given to them on contract, I have the honor to state that

the

the land on which the cattle are picketted and the shops are held is a Gomal land) Survey No. 10 measuring 5 85 acres 20 guntas belonging to Bilaganahally village which is a Bechiraikh in the Akki Hebbal Hobali of the Krishnarajpet Taluk. It is reported that nobody objects to the use of this Gomal land for the purpose.

2. A rate of one anna per head of big cattle and six pies per grown up calf brought up for sale during the said jatra was levied in the years 1903, 1904, 1905 and 1906 and shop-tax varying from 2 annas to 2 rupees was also levied on shops opened at the jatra. The enquiries made by the Assistant Commissioner show that this caused no inconvenience to any body and that the taxes were readily paid.

3. It is therefore requested that the sanction of Government may, as

by the Assistant Commissioner, be obtained for continuing this and the enclosed bills aggregating Rs 54-5-0 passed the charges being ordered to be met out of the Jatra collections credited to the funds of the Institution.

4. In receipt of your official Memorandum No. 3029 dated 18th January 1906 the then Deputy Commissioner (Mr. H.H. Sparkes) called for a report from the Assistant Commissioner and ordered that the offer of Rs 200/- may be accepted for the collection during 1906 provided it was equal to the average amount collected for the last two years.
